## 100.01 Introduction & Purpose

Welcome to employment with Baxter County, Arkansas (the County). The purpose and intent of this County Personnel Policy is to establish at-will employment as the default policy for the County and to state the general employment policies issued by the County Quorum Court in its capacity as the legislative branch of the County government. *See Ark. Const. Amend. 55 §§ 1 & 4; Ark. Code Ann. § 14-14-805(2).* The Policy is also intended to establish uniform personnel policies and benefits for all County employees.

County employees are "at-will" employees. County employment is not for a specific period and employment may be terminated at any time, with or without notice, and with or without cause. The provisions set forth in this Personnel Policy do not guarantee any fixed terms or conditions of employment. The Policy neither creates an expectancy of future employment nor establishes grounds upon which employee discipline or dismissal must be based. At any time, the County Quorum Court may revise, supplement, or rescind the policies, practices, and benefits set forth in the Policy subject to, or as may be required by, applicable law.

Consistent with the day-to-day administrative responsibility of his or her elected office, a County elected official may adopt executive employment policies to apply to the employees of that office. Such executive employment policies shall not conflict with this uniform Personnel Policy adopted by the Quorum Court. A County elected official has discretion to determine the application, meaning, and intent of the provisions of the Personnel Policy as they relate to the employees of that official's office. See Ark. Code Ann. § 14-14- 805(2).

We are serious about the important work of the County. We are equally serious about adhering to the procedural and substantive requirements of applicable law. County employees are expected to read, understand, and comply with the policies set forth in the County Personnel Policy. Any questions should be directed to an employee's elected official or supervisor.

## 100.02 County Policy Directives

A. The County and its officials will treat all employees and citizens in a manner that is: (i) rationally related to the effectuation of legitimate County objectives; and (ii) uniformly applied to all persons similarly situated.

B. County officials and employees shall not misuse or abuse governmental power.

C. County officials and employees shall not engage in any intentional act that is illegal (contrary to applicable statutes or judicial decisions) or unconstitutional (contrary to the Arkansas Constitution or the United States Constitution).

D. County officials and County employees shall not omit the performance of any duty that is affirmatively required by applicable law (statutes and judicial decisions).

E. County officials and employees shall not participate in any County contract or transaction in which they have a direct or indirect personal interest. County officials and employees shall not accept or receive any property, money, or anything of value in exchange for or arising out of any County contract or transaction. See Ark. Code Ann. § 14-14-1202.

F. County officials and employees shall not engage in any act that would constitute corruption, gross immorality, criminal conduct, malfeasance, misfeasance, or nonfeasance in the office. See Ark. Code Ann. § 14-14-1311.

G. Each County elected official shall administer the day-to-day administrative affairs of his or her County office in a lawful and constitutional manner, and in accordance with applicable law (statutes and judicial decisions), the U.S. Constitution and Arkansas Constitution, and this County Personnel Policy.

H. The use of deadly force against a person by the Sheriff or a Deputy Sheriff is limited to the following:

(1) Effect an arrest or to prevent the escape from custody of an arrested person whom the Sheriff or Deputy Sheriff reasonably believes has committed or attempted to commit a felony and is presently armed or dangerous; or

(2) Defend himself or herself or a third person from what the Sheriff or Deputy Sheriff reasonably believes to be the use or imminent use of deadly physical force.

## **200.00 EMPLOYMENT POLICIES**

## 200.01 At-Will Employment

(1) Under its authority as the legislative branch of County government, the County Quorum Court adopts "atwill" employment as the default employment policy for each County employee. County employment is not for a specific period and employment may be terminated at any time, with or without notice or liability of any kind (except for wages earned and unpaid), and with or without cause.

(2) A County employee serves the pleasure of the elected County official who hires and supervises the employee. Newly elected County officials have the discretion to rehire County employees who served under a predecessor. County employees have no expectancy of continued employment or property interest in future employment under a newly elected County official.

## 200.02 Claims of Property Interest in Employment

If, notwithstanding the express provisions to the contrary in the Baxter County Personnel Policy, a County employee contends that he or she has a property right in his or her employment or a substantial expectancy of continued employment, or that the County or supervising Elected Official must have just cause for reduction in pay or removal of position, then the employee must assert such contention at a grievance hearing requested in the time and in the manner set forth in this policy.

## 200.03 Equal Employment Opportunity

It is the policy of Baxter County to provide equal employment opportunities for all County employees. Accordingly, Baxter County will not engage in any form of employment discrimination based on race, color, national origin, sex or gender, religion, age, disability, veteran or military status, genetic information, sexual orientation, gender identity, or any other legally protected status. The County hereby affirms its desire to maintain a work environment for all County employees that is free from all forms of unlawful employment discrimination. Employment discrimination based on race, sex or gender, color, national origin, religion, age, disability, veteran or military status, genetic information, sexual orientation, gender identity, or any other legally protected status is a violation of County policy as well as federal and state law and will not be tolerated.

(1) If you believe you have been the subject of unlawful employment discrimination, you should immediately report the problem to your supervisor. If the conduct or condition allegedly involves your supervisor, you should report it immediately to the elected County official under whom you serve. If the conduct or condition allegedly involves the elected County official, you should immediately report the conduct or condition to the County Judge. If the conduct or condition allegedly involves the County Judge, you should immediately report the conduct or condition to the County Grievance Committee. "Immediately" normally means the same day of the alleged discrimination. The failure to make a timely report of alleged discrimination may be a factor used in deciding the merits of the allegation. Your complaint will be promptly investigated. All County employees are expected to cooperate fully in such investigations. To the extent feasible, all internal investigations and/or actions taken to resolve complaints of unlawful employment discrimination will be confidential.

(2) Retaliation against any County employee for making a complaint under this policy or for providing information during an investigation under this policy is prohibited, will not be tolerated, and is a violation of this policy.

(3) Any County employee who violates this policy will be subject to appropriate discipline, up to and including termination. Any supervisor who knowingly permits discrimination or retaliation to take place in his or her areas of supervision will be subject to appropriate discipline, up to and including termination.

## 200.04 Time Liability Control

Baxter County requires each exempt and non-exempt employee to utilize the timekeeping system and shall personally submit hours for approval. This certifies that the recorded hours worked, and leave taken are correct.

(1) In the event that circumstances prevent personal submission of time records, the County elected official or supervising department head is the only alternative to complete the task. Furthermore, for the week(s) affected, the employee shall furnish a signed paper time sheet to the Payroll department for legal purposes.

(2) The signed/certified employee time sheets shall be provided timely to the County Clerk's Office at the end of each pay period to be kept as a permanent record *(for at least five years)*. Electronic time data will be stored indefinitely in the County Electronic Back-up Storage.

(3) The County Clerk will calculate payrolls for all employees, including overtime pay *(non-exempt employees)*, vacation leave pay, sick leave pay, personal leave pay, and holiday pay, based on the submitted, approved, and certified time sheets and in reliance upon the employees' certification that the hours worked, and the leave time taken are correct.

(4) The County Clerk shall keep a record of accumulated compensatory time, sick leave time, personal leave time, and vacation leave time, showing all such time earned and all such leave time taken by the employees who have earned such time.

(5) The County Clerk shall provide a monthly report to the County Treasurer, the County Judge, and the Quorum Court, reporting the amount of the County's accrued leave liability.

(6) The County Clerk shall issue an overtime check to an employee any time the employee's total hours of accrued compensatory time exceed the compensatory time limit set by the Quorum Court in the County's Personnel Policy. Any hour over 40 will be paid out as overtime on their next paycheck.

(7) Accrued compensatory time accumulated by County employees throughout the year shall be paid in full at the end of the year in which it was earned.

(8) The Quorum Court shall use its appropriation power (including re-appropriation power) to modify the County's budget throughout the year so that the County has the funds to pay the compensatory time debt.

### 200.05 Anti-Harassment Policy

Baxter County provides a workplace free from harassment based on race, color, national origin, sex or gender, religion, age, veteran or military status, genetic information, disability, sexual orientation, gender identity, or any legally protected status. Harassment includes any verbal or other conduct that demeans, insults, or intimidates an employee or group of employees because of their race, color, national origin, gender, religion, age, veteran or military status, genetic information, disability, sexual orientation, gender identity, or other legally protected status. Prohibited conduct includes, but is not limited to, jokes, labels, names, verbal abuse, ridicule, or stories offensive to a protected group of people.

(1) Because of the County's strong disapproval of offensive or inappropriate sexual behavior at work, all employees must avoid any action or conduct which could be viewed as sexual harassment, including:

a. Unwelcome sexual advances, including unwelcome requests for dating and requests for sexual acts or favors.

b. Verbal abuse of a sexual nature, including sexually related comments or joking and graphic or degrading sexual comments about another's appearance.

c. Nonverbal abuse of a sexual nature, including suggestive or insulting noises, leering, whistling, or making obscene gestures, e.g., giving someone the finger, and the display of sexually suggestive objects or pictures.

d. Physical conduct of a harassing nature, including inappropriate touching or brushing the body of another.

e. Any other verbal, nonverbal or physical conduct of a harassing nature.

(2) If you believe you have been the subject of harassment by anyone, including supervisors, elected County officials, co-workers, citizens, or vendors, you should immediately report the conduct to your supervisor. If the conduct allegedly involves your supervisor, you should immediately report it to the elected County official under whom you serve. If the conduct allegedly involves the elected County official, you should immediately report the conduct to the County Judge. If the conduct allegedly involves the County Judge, you should immediately report the conduct to any member of the County Grievance Committee. "Immediately" normally means the same day of the alleged harassment. The failure to make a timely report of alleged harassment may be a factor used in determining the merits of the allegation. Your complaint will be promptly investigated. All County employees are expected to cooperate fully in such investigations. To the extent feasible, all internal investigations and/or actions taken to resolve complaints about harassment will be confidential.

a. Discrimination or retaliation against any County employee for making a complaint under this policy or for providing information during an investigation is prohibited, will not be tolerated, and is a violation of this policy.

b. Any County employee who violates this policy will be subject to appropriate discipline, up to and including termination. Any supervisor who knowingly permits harassment or retaliation to take place in his or her areas of supervision will be subject to appropriate discipline, up to and including termination.

#### 200.06 Americans with Disabilities Act

The federal Americans with Disabilities Act (ADA) prohibits discrimination against qualified individuals with disabilities in job application procedures, hiring, firing, advancement, compensation, fringe benefits, job training,

and other terms, conditions, and privileges of employment. The ADA does not alter the County's right to hire the best-qualified applicant, but it does prohibit discrimination against a qualified applicant or employee because of his or her disability, or because of a perceived disability. As a matter of County policy, the County prohibits discrimination of any kind against people with disabilities.

#### **Disabled Defined**

An applicant or employee is considered disabled if he or she (1) has a physical or mental impairment that limits one or more major life activities; (2) has a record or history of such an impairment; or (3) is regarded or perceived *(correctly or incorrectly)* as having such impairment. A qualified employee or applicant with a disability is an individual who satisfies the requisite skill, experience, education, and other job-related requirements of the position held or desired, and who, with or without reasonable accommodation, can perform the essential functions of that position.

#### **Reasonable Accommodation**

A reasonable accommodation is any change in the work environment (or in the way things are usually done) to help a person with a disability apply for a job, perform the duties of a job, or enjoy the benefits and privileges of employment. Qualified applicants or employees who are disabled should request reasonable accommodation from the County to allow them to perform a particular job. If you are disabled and you desire such reasonable accommodation, contact your Elected Official, Department Head, or the Human Resources Department. On receipt of your request, we will meet with you to discuss your disability. We may ask for information from your health care provider(s) regarding the nature of your disability and the nature of your limitations or take other steps necessary to help us determine viable options for reasonable accommodation. We will then collaborate with you to determine whether your disability can be accommodated, and if it can be accommodated, we will explore alternatives with you and endeavor to implement mutually agreeable accommodation. Reasonable according to the ADA, the County does not have to provide the exact accommodation you want, and if there is more than one accommodation, we may choose which one to provide. Furthermore, the County does not have to provide accommodation if doing so would cause undue hardship for the County.

#### 200.07 Genetic Information Nondiscrimination Policy

Baxter County complies with the Genetic Information Nondiscrimination Act (GINA) and the Genetic Information in the Workplace Act (GIWA). GINA and GIWA prohibit employers and other entities covered by these laws from requesting or requiring the disclosure of genetic information of an employee or family member of an employee, except as specifically allowed by these laws. To comply with these laws, employees should not, directly, or indirectly, disclose any "Genetic Information" to the County at any time. "Genetic Information" includes an employee's family medical history, the results of an employee's or family member's genetic tests, the fact that an employee or an employee's family member sought or received genetic services, and genetic information of a fetus carried by an employee or an employee's family member, or an embryo lawfully held by an employee or family member receiving assisted-reproductive services.

#### 200.08 Immigration Reform and Control Acts

Baxter County complies with the *Immigration Reform and Control Acts of 1986 and 1990*. Every newly hired County employee shall complete an I-9 Form before commencing employment.

## 200.09 Political Activity

Baxter County employees are encouraged to participate in the election process, but assistance to candidates or issues must only be rendered on an employee's own time and County property must not be involved. County employees are not to endorse candidates or issues in their official capacities as County employees, or on behalf of the County or any County office. The legal provisions are summarized as follows: (1) County employees are prohibited from engaging in partisan political activity during the hours they are performing work for the County, excluding personal leave time; (2) political banners, posters, or literature should never be allowed on County property or any County-owned vehicle; (3) political bumper stickers or decals should never be displayed on County property or any County-owned vehicle; County-owned vehicles must not be used during or after work hours to promote or assist the candidacy of any person or any ballot issue; (4) no County employee shall approach other County employees for any political purpose or use threats or coercion to require or persuade any employee to contribute to a particular candidate or cause. In the discretion of the County Judge or other elected County officials who supervise a County employee, a County employee may be granted leave without pay for an extended absence to participate in a campaign.

#### 200.10 Social Media Policy

Social media includes all means of communicating or posting information or content of any sort on the Internet. The same principles and guidelines applicable to County employees conduct also apply to County employees' activities online. Any conduct that adversely affects an employee's job performance, the performance of fellow employees, or otherwise adversely affects the interests of the County may result in disciplinary action up to and including termination. This policy applies to comments made under the employee's name or under a pseudonym used by the employee as a username. Harassment and cyber- bullying of any County employee will result in termination. It is a "trial period" during which the employee is being evaluated as a suitable fit to the position and Baxter County. The new employee will be given consistent feedback and coaching to have the chance to learn the position and improve during the probationary period. At the end of the probation period, or before, the Department Head or Elected Official will determine if the employee should be retained. The decision will be made during the 90-day evaluation and appraised in the following criteria:

- The skills, competencies, and knowledge of the employee on the job.
- The employee's progress on given assignments.
- The reliability, loyalty, trustworthiness, and additional relevant personality characteristics of the employee.

The criteria will be assessed with quantitative measures and the progress will be documented when possible. The decision to retain or separate will be at the discretion of the Department Head or Elected Official.

If the electronic time keeping system is inoperable, all County elected officials and department heads will maintain time sheets to be filled out by each non- exempt employee daily and submitted to the County Clerk bi-weekly per the payroll schedule. All time sheets shall be signed or electronically signed under oath by the non- exempt employee and signed or electronically signed by the elected official or department head. If an elected County official or department head fails to provide the required and approved time sheets to the County Clerk, the County Clerk shall not issue subsequent paychecks. Electronic signatures within an electronic time keeping system are allowed to replace physical time sheets.

(9) Paid leave shall not count toward time worked in a work period for calculating overtime. Only time worked by an employee shall count toward calculating overtime *(including time worked on a holiday)*.

### 400.06 Travel Policy

Section 111 of the 1977 Acts of Arkansas allow Elected Officials and County Employees to be reimbursed for reasonable travel expenses in the conduct of county affairs where such incurrence of expense is not discretionary in the conduct of duties assigned by the law; and allows for the reimbursement of expenses for meals, lodging, and travel.

County Elected Officials and employees shall be entitled to receive a daily allowance for lodging for any individual while traveling within the State of Arkansas at a rate not to exceed \$175.00 per day (*pre-tax*), and at a rate not to exceed \$200.00 per day (*pre-tax*) while traveling beyond the borders of the State of Arkansas. In extraordinary circumstances, the County Judge may approve of an amount more than these limits.

Reimbursement for the purchase of meals shall be based on reasonable actual expenses, not to exceed \$75.00 per day. Elected Officials have the option to set individual reimbursement per meal rate, based on circumstance of travel. Meals provided as part of a registration fee shall not be a reimbursable expense.

When a personally owned vehicle is used for County business travel, expenses shall be reimbursed at the current rate of reimbursement *(obtainable by contacting the Clerk's Office)*. Such travel expense claims shall show location of travel, purpose of the trip, and total number of road miles traveled between beginning and ending locations using the shortest route between the two locations.

When County business requires travel by airline, bus, or rail, actual expenses will be allowed. In the case of air travel, only economy class accommodation will be allowed.

Reimbursement for out-of-pocket travel expenses, the Baxter County Travel Reimbursement Form shall be completed for all travel related expenses and accompanied by itemized receipts, justification for mileage *(if applicable)* and registration conference agenda *(if applicable)*. The Baxter County Travel Reimbursement Form is available on the Employee Portal or by contacting the Human Resources Department.

For travel expenses paid for by a County credit card, itemized receipts, justification for mileage (*if applicable*) and registration conference agenda (*if applicable*) shall be submitted to the Elected Official or Department Head to be attached to the credit card invoice.

Each employee shall request reimbursement for his/her own travel. An Elected Official or County Employee may include the expenses of another county employee on his/her Baxter County Travel Reimbursement form, only if the submission shows documentation that he/she has paid a reimbursable expense for the specifically named employee.

If an Elected Official is host to a guest from another governmental agency, an industry prospect, or other countyrelated visitor, expense reimbursement for meals, lodging or other related expenses may be allowed, provided the guest will not be reimbursed by any other source, provided the circumstances are thoroughly documented and receipts attached to the reimbursement form.

Law Enforcement transport(s) that require an overnight stay, but deputies choose to rotate driving will be excluded at the discretion of the County Sheriff.

Meals or lodging shall not be reimbursed to an Elected Official or County Employee for expenses within Baxter County, unless documentation is provided.

#### 400.07 Inclement Weather Policy

The general policy regarding inclement weather is that Baxter County government offices do not normally close because of hazardous driving conditions. However, the obligation to provide services to the citizens of Baxter County must be balanced with the risk of danger to the public and County employees. It is, therefore, appropriate that guidelines which reflect the need for the safety of our citizens and employees be established.

In the event of early morning severe inclement weather conditions, the Judge's Office will determine whether this inclement weather policy will be placed into effect and will announce its implementation before 6:30 a.m. to the local radio station. Employees should listen to radio broadcasts or access the website during periods of inclement weather for an announcement of a full day closing or late opening. Essential personnel (i.e., 911 Emergency Dispatchers and Road & Bridge Employees) required to be at work in inclement weather shall be compensated at their regular rate of pay.

- 1. If the Judge's Office announces that Baxter County government offices will be closed due to inclement weather, employees shall be compensated for a full day equal to their regular shift length.
- 2. When severe inclement weather occurs during office hours, Elected Officials and Department Heads will have the discretion to allow employees to leave work early for safety reasons and employees shall be compensated for the remaining time equal to their regular shift length.
- 3. Sick leave cannot be used to cover an absence caused by inclement weather.

Art. 12, § 5.* County Elected Officials, department heads, and supervisors, shall comply with this constitutional provision and shall not offer or award more paid leave time *(holiday, vacation, sick, personal, or compensatory)* than authorized by this County Personnel Policy.

#### 500.05 Family & Medical Leave Act (FMLA)

Baxter County complies with the Family and Medical Leave Act (FMLA). The eligibility criteria and general guidelines used in administering this policy are set forth below. Interpretation of circumstances not specifically covered in this policy will be made in accordance with applicable law. The FMLA was designed to promote our country's interest in preserving family unity while accommodating the legitimate interests of employers. The FMLA seeks to minimize the potential for employment discrimination on the basis of gender consistent with the Equal Protection Clause of the Fourteenth Amendment by assuring that leave is available for both women and men.

(1) To be eligible for FMLA leave, exempt or non-exempt employees must have been employed by the County for at least 12 months, whether consecutive or intermittent, and worked at least 1,250 hours during the 12-month period. All absence from work for covered military service is counted in determining an exempt or non-exempt employee's eligibility for FMLA leave. The County will grant up to 12 weeks of unpaid FMLA leave per year to eligible employees.

(2) FMLA leave may be taken for anyone, or combination of, the following reasons:

• Care of the exempt or non-exempt employee's child (birth or placement for adoption or foster care).

• Care of the exempt or non-exempt employee's spouse, dependent child, or parent with serious health condition.

• Serious health condition that make the exempt or non-exempt employee unable to perform the essential functions of his/her job.

• A 'qualifying exigency" resulting from the covered active duty or the call or order to covered active duty of the exempt or non-exempt employee's spouse, son, daughter, or parent who is a military member of the National Guard and Reserves or the Regular Armed Forces.

• Care of the exempt or non-exempt employee's spouse, son, daughter, parent, or next of kin, who is a covered service member with a serious illness or injury incurred or aggravated by service in the line of duty.

(3) A "serious health condition" is an illness, injury, impairment, or physical or mental condition that requires inpatient care at a medical facility, including any period of incapacity, or any subsequent treatment regarding such inpatient care, or a condition that requires continuing care by a licensed health care provider. This policy covers illnesses of a serious and long-term nature, resulting in recurring or lengthy absences. Generally, a chronic or long-term health condition that would result in a period of three consecutive days of incapacity with the first visit to the health care provider within seven days of the onset of the incapacity and a regimen of continuing treatment to resolve or alleviate the condition or treatment two or more times by a health care provider within 30 days of the incapacity. For chronic conditions requiring periodic health care visits for treatment, such visits must take place at least twice a year.

(4) FMLA leave is unpaid leave. However, any non-exempt employee's available paid time off, including qualifying workers' compensation leave, sick, vacation, personal or compensatory time, will run concurrently with FMLA leave, until such leave is exhausted. Non-Exempt employees shall take available PTO equivalent to full time status as defined in this policy. Once a non-exempt employee's paid benefits are exhausted, he/she will be in unpaid status during the remainder of his/her FMLA leave.

(5) After FMLA requirements are established, exempt employees will be eligible for FMLA-qualifying leave without losing FLSA exemption status and 12 weeks of employer paid leave will be allowed per rolling FMLA year. Subject to Elected Official approval, additional leave may be granted after 12 weeks, and exempt employees shall take available PTO equivalent to full time status as defined in this policy. Once an exempt employee's paid benefits are exhausted, he/she will be in unpaid status. All other FMLA restrictions apply.

(6) All holiday hours encompassed during consecutive or intermittent FMLA will be counted against the rolling calendar year allotment.

(7) An eligible exempt or non-exempt employee taking FMLA leave is entitled to up to 12 work weeks of unpaid leave during a 12-month period for any FMLA qualifying event(s) as listed above. The 12-month period is a rolling 12-month period measured backward from the date an employee uses any FMLA leave. Leave to care for a seriously injured or ill active-duty military member, when combined with other FMLA qualifying leave, may not exceed 26 weeks in a single 12-month period. When both spouses are employed by the County, they are together entitled to a combined total of 12 workweeks of FMLA leave within the designated 12-month period for the birth, adoption, or foster care placement of a child with the employees, and to care for a parent (but not in-law) with a serious health condition. Each spouse may be entitled to more FMLA leave for other FMLA qualifying reasons.

(8) FMLA leave may be taken intermittently or on a reduced work schedule when medically necessary due to the employee's or family member's illness. Leave to care for a newborn or newly placed child may not be taken intermittently or on a reduced work schedule. If an employee takes leave intermittently on a reduced work schedule basis, the employee must, when asked, try to schedule the leave to duly disrupt County operations. When an exempt or non-exempt employee takes intermittent or reduced work schedule leave for foreseeable planned medical treatment, the County may temporarily transfer the employee to an alternate position with equivalent pay and benefits for which the employee is qualified and which better accommodates recurring periods of leave.

(9) An exempt or non-exempt employee shall request FMLA leave by completing the required paperwork and submitting it to the employee's supervisor as soon as practicable. When leave is foreseeable, the employee must provide the County with at least 30 days' notice.

Before the exempt or non-exempt employee returns to work from FMLA leave for the employee's own serious health condition, the employee may be required to submit a return-to-work designation form located in the FMLA Notice of Eligibility and Right & Responsibilities paperwork. FMLA leave or return to work may be delayed or denied if the appropriate documentation is not provided in a timely manner. Failure to provide requested documentation may result in termination of employment.

(11) The County will notify the exempt or non-exempt employee whether leave has been designated as FMLA leave and how much leave will be counted against the employee's leave entitlement. The County may request additional medical certification at the discretion of the elected County official. In addition, the County may provisionally designate the employee's leave as FMLA leave if the County has not received medical certification or has not otherwise been able to confirm that the employee's leave qualifies as FMLA leave. If the exempt or non-exempt employee has not notified the County of the reason for the leave, and the employee desires that leave be counted as FMLA leave, the employee must notify the County within two business days of the employee's return to work that the leave was for an FMLA reason.

(12) During FMLA leave, the County will continue an exempt or non-exempt employee's group insurance coverage under the same conditions as if the employee were working. An employee on FMLA leave will continue to be responsible for his/her portion(s) of group insurance premiums. FMLA leave is not a "qualifying" event under COBRA. If the exempt or non-exempt employee does not return to work for 30 days, the employee shall be liable to the County for repayment of insurance premiums paid by the County during the exempt or non-exempt employee's FMLA leave.

(13) Upon return from FMLA leave, the County will place the exempt or non-exempt employee in the same or equivalent position with equivalent pay, benefits, and other terms and conditions of employment. An employee is entitled to reinstatement only if he/she has continued to be employed had FMLA leave not been taken. Thus, an exempt or non-exempt employee is not entitled to reinstatement if, because of layoff, reduction in force, or other reasons, the employee would not be employed at the time job restoration is sought. The County reserves the right to deny reinstatement to exempt, eligible employees, who are among the highest paid ten percent of the County's employees ("key employees") if such denial is necessary to prevent substantial and grievous economic injury to the County's operations. An exempt or non-exempt employee returning to work must be able to perform the essential functions, with or without reasonable accommodation, of the position the employee held before the leave or an equivalent position with equivalent pay, benefits, and employment terms. The County may require a fitness for duty report before allowing an employee to return to work. (29 C.F.R. 825.213(c)) An exempt or non-exempt employee who returns to work for at least 30 days is considered to have returned to work. An exempt or non-exempt employee who transfers directly from taking FMLA leave to retirement or who retires during the first 30 days after the employee returns to work, is deemed to have returned to work.

(14) The County will not: (1) interfere with, restrain, or deny the exercise of any right provided under FMLA; or (2) discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement of any proceeding under or relating to FMLA. The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law providing greater family or medical leave rights.

An eligible exempt or non-exempt employee shall be required to provide the County with periodic reports regarding the employee's status and intent to return to work when requested. If the employee gives the County notice of his/her intent not to return to work, the employee will be considered to have voluntarily resigned.

## 500.06 Military Leave

Baxter County complies with the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), and with Ark. Code Ann. §21-4-102, 21-4-212, 14-15-506 and 14-53-113.

Both USERRA and state law provide job and benefit protection for employees who serve in the military, and they provide certain leave and reemployment rights to any employee who has been absent from work due to service in the United States uniformed services. The County will grant military leave of absence to any employee who is

required to miss work because of service in the United States uniformed services in accordance with USERRA and/or state law after successful completion of the new hire probationary period.

An employee must notify the County if you receive notice that they will require a military leave of absence unless providing such notice is precluded by military necessity, impossible, or unreasonable. The employees shall provide the Elected Official/Department Head AND Human Resources with a copy of their official orders.

When an employee receives notice that they will need military leave of absence, they should immediately contact their supervisor for further information regarding their rights and responsibilities under USERRA and state law.

If military leave hours have been exhausted for the calendar year, the employee may use compensatory time, vacation time, or personal time. Sick time may not be used.

Once an employee's paid leave is exhausted, employer paid benefits will be paused during the length of the employee's military leave.

#### 500.07 Jury/Witness Leave

A Baxer County employee called to serve on a jury or as a witness shall notify his/her supervisor immediately upon notice so that his/her work schedule can be modified to accommodate the employee's absence. A full-time County employee serving as a juror or witness in state or federal court, outside their official duty, shall be entitled to a leave-without-pay for jury service, and such service or necessary appearances in court shall not be counted as vacation leave or sick leave, though an employee may choose to use vacation leave, compensatory time or personal leave to be paid for absence necessitated by jury duty or as a witness.

#### 500.08 Emergency Leave

Emergency leave with pay up to a maximum of three (3) calendar days in case of death or imminence of death in the immediate family may be granted. Two (2) days' travel time may be granted upon prior approval of the supervising Elected Official, in addition to the three (3) days, when the employee must travel a long distance. Any additional leave will be considered unpaid leave of absence.

#### 500.09 Occupational/Accidental Leave

In the event of an occupational injury or an occupational illness incurred by the employee in the course of employment, which illness or injury is not the result of sole negligence, recklessness, self-infliction, or drug or alcohol use by an employee, the County may grant full salary to the employee for up to the first seven (7) calendar days. Should occupational injury extend beyond seven (7) days, a portion of the employees' full salary may be granted. If available, the difference between these portions shall be supplemented with accrued PTO.

#### 500.10 Workplace Injury/Illness Reporting Policy

Baxter County Government is committed to establishing and maintaining a comfortable and safe working environment for all employees. Safety is often taken for granted. Though generally, we may not be exposed to the same degree of risk as employees of a manufacturing firm or health care facility, we must still recognize that safety risks are present and take steps to reduce the risk of injury or illness. Safety is everyone's responsibility.

All work-related injuries and illnesses must be reported immediately to the Safety Coordinator, even if you are not sure whether they are truly work-related. Small, insignificant injuries left untreated can result in serious conditions. To prevent continued injuries, all injuries and illnesses must be immediately reported to investigate and incorporate corrective action.

If you see any potential hazards that need attention, notify the Safety or Human Resources Department immediately.

### 500.11 Leave Without Pay

Leave without pay may be granted at the discretion of an employee's supervising elected official or department head. An employee on leave-without-pay retains all earned vacation leave and sick leave, but does not accumulate leave, does not participate in County group insurance programs *(at County expense)*, and does not receive pay for legal holidays or otherwise. An employee on leave-without-pay shall have the right to reinstatement to the position vacated or an equivalent position upon the conclusion of the approved leave-without-pay period. An employee on leave-without-pay may pay the total cost of any County group insurance program during such leave and be fully reinstated into such program(s) on return, where the program allows this.

#### 500.12 Donation of Paid Leave

Baxter County Government allows employees to donate vacation leave and accrued compensatory hours to other county employees who do not have sufficient accumulated paid leave credits to meet a verifiable, catastrophic circumstance as noted below. While the County establishes a mechanism for such leave transfers, participation is entirely voluntary and donations are anonymous, unless donors elect otherwise. The supervising Elected Official shall make the final decision to either approve or disapprove applications for the donation of paid leave.

#### 500.14 Qualifying Life Event Policy

A qualifying life event (*QLE*) is a life-changing event that can allow employees to update medical, dental, and vision insurance outside of open enrollment. Baxter County allows employees to add or drop dependents from their medical, dental, vision and life insurance plans when a Qualifying Event is experienced.

All employees experiencing a qualifying event have thirty (30) calendar days from the qualifying event date to make a benefit election change (add/drop dependents or enroll/cancel coverage). If the thirty (30) day window is missed, employees can make these changes, in addition to plan changes during Open Enrollment in November of each year for coverage effective January 1 of the following year.

The following are the types of qualifying events and their descriptions:

- Marital Status Change: Marriage or registered domestic partnership, death of spouse, dissolution of registered domestic partnership, divorce, or legal separation.
- **<u>Eligible Dependent Change:</u>** Birth or death or child, legal guardianship, adoption, disabled child, or placement for foster care.
- <u>Court Order:</u> If a Court judgement, decree, or order from a divorce, legal separation, change in legal guardianship, or order of child support requires you to provide health, dental, or vision insurance for a dependent, an election change may occur for dependent coverage consistent with terms of the order.

The following documents are **<u>REQUIRED</u>** to process each qualifying event:

- Birth: copy of birth certificate
- Adoption: copy of adoption agreement
- Divorce: copy of final divorce decree
- Death: copy of death certificate
- Custody or Guardianship: copy of custody order

All supporting documentation must be submitted to Human Resources within thirty (30) days of the qualifying event.

## 500.15 COBRA Policy

Federal law requires employers to give employees, spouses, and dependent children the right to continue group health benefits for limited periods of time under certain circumstances, such as voluntary or a type of involuntary job loss, reduction in hours worked, death, divorce, and other life events.

Employees may ordinarily continue their health coverage for up to 18 months when their employment is terminated.

#### 500.16 Group Insurance Programs

Baxter County offers group insurance programs for full-time County employees. Baxter County currently pays for the full-time employee's premiums for group insurance programs. All insurance benefits are subject to change at any time. This Personnel Policy does not guarantee continuation of any group insurance benefits.

#### 500.17 Fringe Benefits - County Owned Vehicles

The purpose of this policy is to ensure Baxter County's compliance with Internal Revenue *(IRS)* regulations requiring employers to include personal use of County-owned vehicles in computation of employee's compensation.

In general, County-owned vehicles furnished to employees of Baxter County are to be used only for official County business. This applies to both vehicles assigned to an employee on a regular basis (takehome) and County-owned vehicles available for use daily (business hours).

Personal use of any Baxter County vehicle furnished to an employee, other than an Elected Official, is prohibited. Employees not in compliance with this policy shall be subject to disciplinary action up to and including termination.

#### COUNTY VEHICLE USE: TAKE HOME POLICY

Commuting, which is defined as traveling to and from work, is the only permitted personal use of Countyowned vehicles assigned to an employee on a regular basis.

IRS regulations require that the value of an employee's personal use of an employer-provided vehicle be included in the individual's compensation. Since commuting is personal use, the employee shall designate quarterly the number of days that personal miles were utilized and deliver to the Payroll department by the deadline indicated on the Quarterly Fringe Benefit Statement. This amount will reflect on the employees' paycheck as taxable earnings.

This process will occur each quarter. January 1 – March 31 April 1 – June 30 July 1 – September 30 October 1 – December 31

#### **DE MINIMIS FRINGE BENEFIT POLICY**

An employee may stop for personal use in a County-owned vehicle if the stop is on the route of the employee's home. An employee is out of compliance with this policy if the stop is out of the way and would add unnecessary mileage to the vehicle. Employees not in compliance with this policy shall be subject to disciplinary action up to and including termination.

#### COUNTY VEHICLE USE: DURING BUSINESS HOURS POLICY

County vehicles are available to some County employees for use while conducting County business, during County business hours. If a County vehicle is used for commuting prior to or after a business use, that commuting valuation rule of \$3.00 per day applies to all individuals commuting in that vehicle. Commuting is defined as traveling to and from work and is the only personal use of County-owned vehicles that is permitted.

**IRS Commuting Exemptions:** 

- 1. Clearly marked police, fire, or public safety vehicles.
- 2. Unmarked vehicles used by law enforcement officers.
- 3. An ambulance or hearse.
- 4. A vehicle with a loaded gross vehicle weight over 14,000 pounds.
- 5. Delivery trucks with a seat for the driver only or the driver plus a folding jump seat.
- 6. A passenger bus with a capacity for at least 20 passengers.
- 7. School buses.
- 8. Tractors and special purpose farm vehicles.
- 9. Qualified specialized utility repair trucks.

10. Construction or specially designed work vehicles (i.e., bucket trucks, dump trucks, cement mixers, forklifts, garbage trucks.

#### SPECIAL PROVISIONS – ELECTED OFFICIALS

Elected Officials of Baxter County are not entitled to use the \$3.00 per day method of calculating personal use value of their vehicle, they must use the Annual Lease Value Computation. Elected Officials who are provided with a vehicle under the lease value rule (*IRS 15-B*) will be required to report the number of days the vehicle was driven to and from work on a quarterly basis. In addition, each Elected Official shall report any additional personal mileage incurred in each quarter and deliver it to the Payroll department by the deadline indicated on the Quarterly Fringe Benefit Statement.

The annual lease value does not include the value of fuel for personal use. Whether it is provided, charged (*through County credit card*), or reimbursed to the employee (*through AP process*) the value of the fuel must be included separately in the employee's wages. Therefore, the amount of fuel will be multiplied against the number of personal miles indicated on the Quarterly Fringe Benefit Statement at 5.5 cents per mile. The lease value rule and personal fuel use will appear as two separate earning codes on the employee's paycheck.

Each amount, mileage, and fuel will be reflected on the employee's paycheck as taxable earnings.

#### This process will occur each quarter.

January 1 – March 31 April 1 – June 30 July 1 – September 30 October 1 – December 31

#### **QUALIFIED NONPERSONAL USE VEHICLES**

Use of a qualified nonpersonal use vehicle, including commuting, is excludable to the employee as a working condition fringe benefit if specific requirements for this type of vehicle are met. Record keeping and substantiation by the employee are not required by the IRS.

#### Eligible Vehicles

A qualified nonpersonal use vehicle is any vehicle that the employee is not likely to use more than minimally for personal purposes because of its design. Qualified nonpersonal use vehicles included:

- Clearly marked law enforcement or public safety officer vehicles
- The employee must always be on call.
- The employer must require the employee to use the vehicle for commuting.
- The employer must prohibit personal use (other than commuting) for travel outside of the officer's authority.
- It is readily apparent through words or painted insignia that the vehicle is a public safety vehicle.
- Unmarked vehicles used by law enforcement officers if the use is officially authorized.
- The employer must officially authorize personal use.
- Personal use must be incident to use for law-enforcement purposes; that is, no vacation or recreational use.
- The employer must be a governmental unit responsible for crime prevention or investigation.
- The vehicle must be used by a full-time law enforcement officer authorized to carry firearms, execute warrants, and make arrests. The officer must regularly carry firearms, except when it is not possible to do so because of the requirements of undercover work.

## 500.18 Fringe Benefits – Meals and Lodging

Reimbursements for meals and lodging expenses incurred while traveling away from Baxter County overnight for business reasons may be excludable. These expenses fall under the rule for travel expenses.

The taxability of these reimbursements or allowances depends on whether the meals and lodging expenses are connected to the business trip and whether the expenses are substantiated. Reimbursements or allowances must meet the accountable plan rules to be excludable.

For travel meals and lodging reimbursements to be excludable from wages, employees must be traveling away from Baxter County on business. As with other travel-related expenses, the general area of work, not the employee's residence, determines the home tax.

The requirements of "traveling away from home" are met when:

- The employee must be traveling away from the general area of the tax home longer than an ordinary day's work, and
- The employee requires an overnight stay or substantial sleep or rest to meet the demands of the work while away from home. Law Enforcement transport(s) that require an overnight stay, but deputies choose to rotate driving will be excluded at the discretion of the County Sheriff.

#### Meals Away From Tax Home But Not Overnight

These meals are taxable as wages to the employee because travel expenses must be away from home overnight to be excludable.

Copies of meal receipts shall be provided to the Payroll office immediately upon return from travel.

Failure to remit payment in a timely manner may result in termination of benefits. Retirees who are Medicare eligible and employee spouses who are Medicare eligible will not be able to participate in the County's Medical Benefit Plans.

#### 600.01 Purpose

The purpose of this section is to provide a procedure for reporting any conduct or condition perceived to be discrimination, harassment, retaliation, violation of state or federal law, or other job-related complaints and to enable the County to act affirmatively, if needed, to assure compliance with the law. Any County employee may also utilize the Grievance Hearing Procedure below to bring such a matter before the County Judge as a mediator. If the County employee is dissatisfied with the County Judge's informal resolution, the County employee may still utilize the Grievance Hearing Procedure. The County may, in its discretion, hold a hearing prior to any decision or deprivation.

### 700.01 Purpose

(1) The hearing shall be held in public if required by law (such as under the FOIA). The employee may, at any time, decline or end the hearing and accept the intended discipline or termination.

(2) The hearing shall be transcribed by a court reporter (not merely a tape recorder) upon request by the grieving employee or the employee's supervising elected official at the expense of the requesting party. At the hearing, on the record, the parties shall suggest any desired hearing procedures and state any complaints regarding: (I) the notice; (II) the date, time, or location of the hearing; (III) the opportunity to refute charges; and (IV) the impartiality of any decision maker(s).

(3) Informal rules of procedure and evidence shall be followed at hearings: (I) witnesses shall testify under oath; (II) parties shall be allowed to be represented by legal counsel at their own expense; (III) parties shall be allowed to examine and cross-examine witnesses; (IV) parties should be granted a reasonable continuance if requested prior to the hearing in writing and if reasonably necessary for stated reasons to prepare adequately for the hearing.

(4) The Grievance Committee will hear the evidence and argument offered by the parties and vote without public discussion or deliberation. Only the Grievance Committee's decision, expressed as a single word agreement or disagreement with the elected official's underlying employment action, but not the factual or legal reasoning, shall be announced publicly. No notes should be taken by members of the Committee.

(5) Public access to applicant or employee grievance records is authorized only if approved by the applicant or employee or authorized by the Arkansas FOIA.

## 700.02 County Grievance Committee

(I) The County Quorum Court may appoint the membership of the County Grievance Committee as a standing Personnel Committee—such appointment of the Grievance Committee membership must be done by ordinance, and members of the Grievance Committee must be designated by position (not by name). If the Quorum Court has not appointed a Grievance Committee, then the Grievance Committee shall be the Quorum Court. The people to serve for any hearing will be the people holding the committee position at the time the discipline or dismissal decision was made for which a hearing is requested.

(II) If the Grievance Committee determines that an executive decision or action of a County official violates the law or the Constitution, the Grievance Committee shall declare the decision or action to be illegal or unconstitutional and recommend the County official modify the decision or action to conform to the law, the state or federal Constitution, or state public policy. The Grievance Committee shall not substitute its operational judgment for that of a County elected official.

#### 700.03 Back Pay Provisions when an Employment Decision is Reversed

The mediation will be concluded by the County Judge before the hearing before the County Grievance Committee begins. The mediation may be conducted in any manner the County Judge believes will offer the best opportunity for resolving the dispute informally and by agreement.

#### 700.06 Grievance Hearing Procedure

(2) If an applicant or employee does not follow this affirmatively required Grievance Hearing Procedure, the County will raise waiver and estoppel as affirmative defenses to any claims against the County filed by the applicant or employee via any administrative or judicial procedures otherwise available for redress of grievances.

(3) Any decision of the Grievance Committee shall be advisory to the relevant elected official, but not binding on the elected official.

## 800.00 GRIEVANCE HEARING ISSUES/BURDEN OF PROOF

#### 800.01 Property Interest Hearing - Claim of Property Interest in Employment

The grieving employee has the burden of proving by a preponderance of the evidence that he or she has a legitimate claim of entitlement to his or her employment—despite the County's at-will employment policy— and not a mere subjective or unilateral expectancy of continued employment. If the employee meets his or her burden of proof, the supervisory official has the burden of proving by a preponderance of the evidence that there is just cause for the intended discipline or dismissal.

## 800.02 Liberty Interest Hearing - Claim of Unconstitutional Retaliation

The grieving applicant or employee has the burden of proving by a preponderance of the evidence that he or she has engaged in constitutionally protected conduct that was a substantial or motivating factor in an adverse employment decision, discipline, or dismissal. If the applicant or employee meets his or her burden of proof, the supervisory official has the burden of proving by a preponderance of the evidence that the adverse employment decision, discipline, or dismissal would have occurred in the absence of constitutionally protected conduct.

## 800.03 Liberty Interest Hearing - Claim of Disability Discrimination

The grieving applicant or employee has the burden of proving by a preponderance of the evidence that he or she is a qualified individual with a disability who, because of the disability, has been treated or affected differently than another person regarding job application, procedures, advancement, dismissal, compensation, training, or other terms, conditions, or privileges of employment. If the applicant or employee meets his or her burden of proof, the supervisory official has the burden of proving by a preponderance of the evidence that the difference in treatment or effect is job-related and necessary to effectuate a legitimate County objective, that performance of the job cannot be accomplished by reasonable accommodation, or that the needed accommodation would cause the County undue hardship.

The following definitions apply to claims of disability discrimination:

(1) "Disabled" or "disability": A physical or mental impairment that limits one or more major life activities of an individual; having a record of such impairment; or being regarded as having such an impairment. Being "regarded as having such an impairment" may include individuals with conditions such as obesity or cosmetic disfigurement and individuals perceived to be at elevated risk of incurring a work-related injury.

(2) "Discrimination" includes: (I) limiting, segregating, or classifying a job applicant or employee in a manner that adversely affects his or her opportunities or status; (II) participating in contractual or other arrangements that have the effect of subjecting individuals with disabilities to discrimination; (III) using standards, criteria, or methods of administration in such a manner that results in or perpetuates discrimination; (IV) imposing or applying tests or other selection criteria that screen out or tend to screen out an individual with a disability or a class of individuals with disabilities unless the test or selection criteria are job-related and consistent with County necessity; (V) failing to make reasonable accommodations to the known limitations of a qualified individual with a disability unless an accommodation would impose an undue hardship on the operation of the County; or (VI) denying employment opportunities because a qualified individual with a disability needs reasonable accommodation.

(3) "Reasonable accommodation" examples include: (I) making existing facilities used by County employees readily accessible to the disabled; (II) restructuring non- essential elements of the job; (III) flexible or modified work schedules/locations; (IV) reassignments to other positions; (V)) acquisition or modification of equipment or devices; and (VI) permitting the use of vacation or unpaid leave of absence.

(4) "Undue hardship" is an action requiring "significant difficulty or expense", considering: (I) the overall size of the County with respect to the number of employees, number and type of facilities, and size of budget; (II) the type of operation maintained by the County including the composition and structure of the workforce; and (III) the nature and cost of the accommodation needed.

(5) "Qualified individual with a disability": An individual with a disability who, with or without reasonable accommodation, can perform the "essential functions" of the employment position held or desired.

(6) "Essential functions": Job tasks that are fundamental but not marginal (*not every job task is to be included in determining the essential functions*).

## 800.04 Liberty Interest Hearing - Claim of Equal Protection Violation

The grieving applicant or employee has the burden of proving by a preponderance of evidence that he or she has been treated differently than another similarly situated person. If the applicant or employee meets his or her burden of proof, the supervisory official has the burden of proving by a preponderance of the evidence that the different treatment is rationally related to the effectuation of a legitimate County objective.

## 800.05 Liberty Interest Hearing - Claim Arbitrary Decision - No Legitimate County Objective

The grieving applicant or employee has the burden of proving by a preponderance of evidence that the action taken against him or her is not rationally related to the effectuation of any conceivable legitimate governmental objective of the County. If the applicant or employee meets his or her burden of proof, the supervisory official has the burden of proving by a preponderance of evidence that the action taken is rationally related to the effectuation of a conceivable governmental objective of the County.

## 800.06 Liberty Interest Hearing - Claim Arbitrary Decision - Violation of State Public Policy

The grieving applicant or employee has the burden of proving by a preponderance of evidence that he or she is being treated in a manner that violates the public policy of the State of Arkansas as established by the Arkansas General Assembly or the Arkansas Supreme Court. If the applicant or employee meets his or her burden of proof, the supervisory official has the burden of proving by a preponderance of the evidence that the adverse employment decision, discipline, or dismissal is not a violation of the established public policy of the State of Arkansas.

## 800.07 Name Clearing Hearing - Claim of Deprivation of Liberty Interest in Future Employment

The grieving applicant or employee has the burden of alleging that a "stigmatizing charge" has been publicly communicated by the County or a County official or employee and requesting an opportunity to publicly clear his or her name. If the applicant or employee meets his or her burden, the County shall provide the applicant or employee with a public hearing opportunity to clear his or her name.

# 900.01 ISSUES NOT ADDRESSED IN THE PERSONNEL POLICY

#### 900.01 Issues Not Addressed in the Personnel Policy

Questions or issues may arise that are not specifically addressed in the County's Personnel Policy. As explained above, the County elected officials and County Judge have discretion to determine the application, meaning, and intent of the provisions of the Personnel Policy as they relate to employees of that County elected official's office.

Consistent with that discretion, the County elected officials and County Judge may issue policy memorandums to County staff to address questions or issues that are not addressed in the Baxter County Personnel Policy.
